Code Sec. 3500, et seq.) This is a written Memorandum of Understanding (MOU), jointly prepared by both parties hereto pursuant to the provisions of Sec. 3505.1 of the Government Code, the terms of which are as follows:

SECTION 2 - NO ABROGATION OF RIGHTS

The parties acknowledge that the City rights and employee rights contained in State or Municipal laws, the City Personnel Rules and Regulations, and the rights of the City Council are neither abrogated nor made subject to the meet and confer process by the adoption of this MOU. Further, the City and City management reserve all rights, powers and authority customarily exercised by management, except as otherwise specifically designated or modified by express provisions of this MOU.

SECTION 3 - PAST PRACTICES

The parties agree that this MOU supersedes any past practice covered by a provision of this MOU.

SECTION 4 - NO DISCRIMINATION

The City and the Union will cooperate in pursuing a policy of no employment discrimination based on merit and fitness, free of personal and political considerations. There shall be no discrimination by the City or Union in employment conditions or treatment of employees on the basis of race, religious creed, color, national origin, ancestry, gender, age, marital status, sexual preference or orientation, physical disabilities, medical condition, membership, non-membership, or participation in the activities of any lawful organization or any other matter or manner prohibited by State, Federal or local law.

SECTION 5 - UNION / EMPLOYEE RIGHTS

A. Recognition

B. No Discrimination

An employee shall have the right to form, join and participate in the activities of employee organizations of the employee's own choosing for the purpose of representation on all matters of employer-employee relations including wages, hours, and other terms and conditions of employment.

No such employee shall be interfered with, restrained, coerced or discriminated against by the City or the Union because of his/her exercise of the rights established by law.

C. Duty of Fair Representation

- Temporary Reduction: Recall to work is expected within twelve (12) months.
- Permanent Reduction: Recall to work is not expected because the position has been eliminated, the contract has expired, the department has closed, or the reduction in force is due to budgetary constraints.

B. Whenever, in the judgment of the City Manager, one or more positions are to be eliminated for reasons of lack of work, lack of funds, reorganization, or other reasons of economy or efficiency, an employee filling such position may be laid off, transferred or demoted without taking disciplinary action or the right of appeal, based on the following criteria:

- Years of service;
- Overall performance in City employment; and
- Special knowledge, skill, training, or experience.

C. Forty-five (45) calendar days before the effective day of layoff, the City Manager shall notify the employee in writing of the intended action indicating the reasons, and a statement certifying whether or not the employee's services have been satisfactory. A copy of such notice shall be given to the Department Director and the affected employee. If certified as having given satisfactory service, the name of the employee laid off shall be placed on an appropriate reemployment list as provided in these Rules and Regulations. Such non-disciplinary action shall not be subject to appeal.

This right shall remain effective for one (1) year from the date of demotion or separation from City service. Re-employment Lists may be extended at the discretion of the Personnel Officer, but in no event shall an employment list remain in effect for more than two (2) years. When considering recall of employees with similar skills and abilities for job classifications for which they qualify, past performance and date of hire may be considered as the primary selection criteria. Employees recalled shall not be required to serve a new probationary period, unless recalled or rehired to a new or different classification. An employee to be recalled shall be notified by certified letter sent to the last known address on record. If the employee does not contact the City to make satisfactory arrangements for return to work within ten (10) days of the mailing date of the letter, the offer of recall will be deemed withdrawn, and the employee will be eligible for reinstatement only if some exceptional circumstances prevent the employee from responding, to the satisfaction of the City Manager.

SECTION 10 – BUMPING RIGHTS

A regular employee who is designated for layoff may elect, in lieu of layoff, to be reassigned to a position in the same classification within his/her department or another department, or into the position held by the employee with the least seniority in the class in which the designated worker currently serves, provided that the designated worker has more service with the City than the worker who is being bumped; or the designated worker has previously held permanent status in the position of a different class into which s/he is bumping, and the designated worker meets the job requirements of the position into which s/he is bumping.

An employee who exercises his/her bumping rights must make such request to the Personnel Officer in writing within ten (10) calendar days of the employee's receipt of written notice of layoff. Failure to comply with the deadline provided herein shall be deemed a waiver of the bumping rights provided herein.

In case of a tie in service, the following will apply:

- Years of Service
- Overall performance in City employment; and
- Special knowledge, skill, training, or experience.

SECTION 11 - GRIEVANCE PROCEDURE

- A.** General Provisions: As used in these Rules and Regulations, a grievance is a dispute concerning an alleged violation in terms and conditions of employment as provided in an existing ratified and approved MOU.

Appeals of discipline shall be governed by Section 12 of the City's Personnel Rules.

1. If a grievant fails to carry the grievance forward to the next level within the prescribed time period, the grievance shall be considered settled based upon the decision rendered at the previous step.
2. If a Department Director fails to respond with a written answer within the specified time period, the grievant may appeal the grievance to the next higher level.
3. Grievant may be represented by a Union Representative, Steward or person of their choice at any formal level of this procedure.
4. Time limits and formal levels may be waived by mutual written consent of the parties.
5. Proof of service shall be accomplished by registered mail served on the employee at the last known address on record in the employee's Human Resources personnel file.
6. For purposes of this grievance procedure, "day" is defined as a day in which City Hall is open and doing business with the public.

B. Grievance Procedure – Informal level

1. The employee may bring a grievance to the attention of the immediate supervisor at the earliest possible date, but no later than ten (10) calendar days from either the date of the alleged action that caused the grievance, or the date the employee should reasonably have become aware of such action. The employee shall inform the immediate supervisor of the desire to discuss an informal grievance. The supervisor shall discuss, or set a date and time for such discussion, and inform the employee. The grievance does not need to be in writing at the informal stage. The supervisor and the employee shall discuss and attempt resolution of the issues at the informal level.
2. If the issues are not resolved at the informal level, or a supervisor is not available for discussion during the informal level, the employee may, within the time limits specified herein, file a formal grievance.
3. If the employee does not make himself/herself available for discussion during the informal process, the grievance shall be considered abandoned.

C. Grievance Procedure – Formal Level

The employee may file a formal grievance within fifteen (15) calendar days from either the date of the alleged action that caused the grievance, or the date the employee should reasonably have become aware of such action, provided the following have taken place:

- The employee has taken the grievance to the immediate supervisor for discussion.
- The issues have either been discussed without resolution or without resolution satisfactory to the employee; or a supervisor was not available for discussion.

Level 1. A formal grievance shall be submitted to the Department Director in writing on a union grievance form containing the name, classification, department of the grievant, the date and a description of the action that caused the grievance, the section(s) of the MOU allegedly violated, and the remedy sought. The formal grievance shall be signed by the employee, and specify the date(s) of discussion with the supervisor, and a brief summary of the outcome of that discussion. The Department Director may meet with the grievant, and shall thereafter render a decision and comments in writing, and return the grievance to the employee within twenty (20) calendar days after receiving the grievance. If the grievant does not agree with the decision reached, or if no answer has been received within twenty (20) calendar days, the employee may present the grievance to the City Manager. Failure of the employee to take further action within twenty (20) calendar days after receipt of the decision, or within twenty (20) calendar days from the receipt of the grievance by the Department Director if no decision is rendered, will constitute withdrawal of the grievance.

Level 2. Upon receiving the grievance, the City Manager shall discuss the grievance with the employee and all other appropriate persons within ten (10) calendar days of receipt of the grievance. The City Manager may designate an individual not in the normal line of supervision to advise or conduct whatever investigation is deemed appropriate or necessary concerning the grievance. The City Manager shall render a decision in writing to the employee within twenty (20) calendar days after receiving the grievance.

All employees shall be free from reprisal, discrimination or coercion for using the grievance procedure. Compliance with all the steps outlined above shall be considered as mandatory to the exhaustion of available internal administrative remedies.

D. Advisory Arbitration Procedure

Grievances not settled pursuant to the grievance procedure above and which either party desires to contest further, may be submitted to Advisory Arbitration. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of a current ratified and approved MOU may be appealed to Advisory Arbitration.

b. Appointment of Arbitrator:

1. As soon as possible, but no later than ten (10) calendar days after either party receives written notice from the other of the desire to submit the issue to advisory arbitration, the parties shall meet and attempt to agree on the appointment of an Arbitrator.
2. If no agreement is reached within ten (10) calendar days, an arbitrator shall be selected from a list of five (5) persons requested from the California State Mediation and Conciliation Service by alternate striking of names until one name remains. The party who strikes the first name from the panel shall be determined by mutual agreement. If there is no agreement on who should make the first strike, the party with the earliest letter in the alphabet by last name shall make the first strike. The Arbitrator remaining on the list received from the State Mediation and Conciliation Service shall serve as the Arbitrator.

c. Conduct of Hearing:

1. The Arbitrator shall preside at the hearing and conduct the proceedings in accordance with acceptable arbitration procedures, be limited to the cited MOU sections at issue, and not exceed the authority allowed in the interpretation and application of the affected MOU provision(s).
2. Either the City or the employee's representative may call any employee as a witness, and the City agrees to release said witness from work at no loss of pay with adequate prior notification to the City. A list of desired witnesses must be received by the City Manager at least five (5) calendar days prior to the date of the hearing so that adequate coverage for the absent employees may be arranged.

d. Timeliness of Decision:

The decision of the Arbitrator shall be rendered no later than forty-five (45) days from the close of the hearing and submission of legal briefs by the parties, if briefs are requested by the Arbitrator. Such decision shall be set forth in writing, dated, and signed by the Arbitrator.

e. Effect of Decision:

The advisory decision of the Arbitrator shall be binding on all parties, unless the City Council overrules or modifies the decision within thirty (30) calendar days from the date of the decision. The City Council's decision shall be final and binding on all parties.

f. Extension of Time Limits:

The parties may extend any of the time limits by mutual agreement, and approval of the Arbitrator.

g. Copies of Proceedings:

All parties to the proceedings shall receive a copy of all documents, rulings and decisions at their own expense.

h. Fees and Expenses:

All fees and expenses of the hearing shall be shared equally by the City and the appealing party, except that each party shall be responsible for the fees of its own counsel if utilized.

i. Single Grievance:

The Arbitrator may collectively hear multiple grievances which raise the same issue, the same or related MOU provisions, or the same factual matters.

j. Limitation on Arbitrator's Authority:

The Arbitrator shall have no power to alter, amend, change, add to, or subtract from the cited or affected provisions of the MOU raised by the grievance.

SECTION 12 - DISCIPLINARY PROCEDURE

The Disciplinary Procedure is substantially contained in the City's Personnel Rules and Regulations, Section 12. The parties agree to incorporate, without changes to mandatory or permissible language by reference the provisions into this agreement.

SECTION 13 - REORGANIZATION

The City will discuss reorganization recommendations with the Union prior to submission of the recommendations to City Council. During the term of this Agreement, any SEIU bargaining member whose compensation would be negatively impacted because of reorganization(s) shall have his/her salary Y-rated.

SECTION 14 - CONTRACTING OUT

The City agrees to meet and confer with the Union at least thirty (30) working days in advance on the impact of the issue of contracting out for services which would displace currently employed personnel.

"Displace" is defined as termination due to lack of work or downward reclassification due to lack of work.

The City reserves the right, after meeting its obligations under law, to contract out any or all services currently performed or to be performed in the future. During the term of this MOU the City will make every effort to retain SEIU members and fill vacancies of SEIU positions in City services.

If an SEIU position remains vacant after nine (9) months, the City will discuss with the Union, at the Union's request, options for filling the vacancy.

SECTION 15 - CONTINGENT WORKFORCE

City and Union agree that there will be no contingent workforce additions that would result in layoffs of incumbent bargaining unit employees.

"Contingent Workforce" as defined does not include the hiring of temporary labor, seasonal workers, independent contractors or short term leasing of employees for the purpose of backfilling critical City positions while recruitment efforts are underway.

SECTION 16 - PROFESSIONALISM IN THE WORKPLACE

All employees, including peers and supervisors, are expected to interact in a professional manner and with respect in the workplace. Unprofessional conduct will not be tolerated. Actions of individuals directed towards an employee, which are intended to intimidate and create a risk to the health and safety of the employee may be cause for disciplinary action.

SECTION 17 – SEVERABILITY

If any article or section of this MOU should be found invalid, unlawful or unenforceable by reason of any existing or subsequent enacted legislation or by judicial authority, all other articles and sections of this MOU shall remain in full force and effect for the duration of this MOU. In the event of invalidation of any article or section, the City and the Union agree to meet within thirty (30) days for the purpose of meeting and conferring upon said article or section.

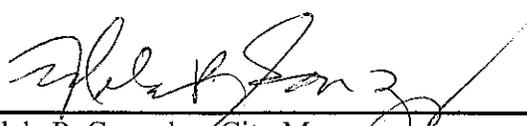

SECTION 18 - PROHIBITION OF JOB ACTION

Notwithstanding any other provisions of this MOU, City rule, regulation, ordinance, past practice or policy to the contrary, both parties to this MOU and each employee in a classification represented by the Union agree that:

- A. The unimpaired continuation of City services is of paramount importance to City residents. Therefore, neither the Union nor any employee in a classification or position represented by the Union shall cause, authorize, engage in, or sanction any type of job action which results in less than the full and faithful performance of the duties of employment. Lawful informational picketing on the employee's own time is not prohibited.
- B. An employee who engages in any activity prohibited in Subsection A shall not be entitled to any wages or City-paid benefits whatsoever for the period of the job action and may be subject to discipline for violating this provision. Prior to implementing this provision by adjusting an employee's paycheck, the City shall give reasonable notification to an employee and opportunity for the employee to respond in writing. Employees and the Union shall have no right to appeal City utilization of this provision.
- C. The Union, its representatives, and represented City employees shall comply with the provisions of this MOU and shall make an effort toward convincing all employees in this unit to fully and faithfully perform their duties.
- D. In the event of any activity prohibited by Subsection A hereinabove, the Union, its representatives, and represented City employees agree to take any appropriate steps necessary to assure compliance with this MOU.
- E. The Union agrees that during the term of this MOU neither the Union nor any representative acting on its' behalf will cause, authorize, engage in, condone, or sanction a strike, sympathy strike, sick in, work stoppage, slow down, or picketing (other than informational picketing on employees own time).

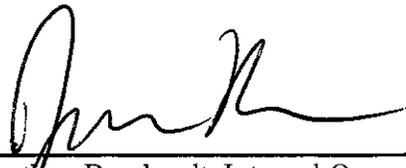

SECTION 19 - TERM

The term of this MOU shall commence July 1, 2015 and shall expire June 30, 2017. Negotiations for a subsequent MOU shall commence by April 1, 2017 unless the parties agree to commence negotiations on a later date.

**SIDE LETTER AGREEMENT
BETWEEN THE SERVICE EMPLOYEES INTERNATIONAL
UNION (SEIU), LOCAL 521, GENERAL UNIT
AND THE CITY OF SOLEDAD**

WHEREAS, the current Memorandum of Understanding (MOU) for the period of July 1, 2013 through June 30, 2015, contains provisions concerning Incentive Pay; and

WHEREAS, Section 6(H) of the MOU, labeled "License, Certifications and Degree Pay (Incentive Pay)" establishes, in part, that "union members who are not required to have certifications or degrees as part of the City classification and/or job description, will be paid sixty dollars (\$60) a month for each eligible incentive pay"; and

WHEREAS, one bargaining unit employee has been serving in the "Electrician" position which, until recently, was in the "Utility Maintenance Industrial Electrician" classification. That position did not require a C-10 Electrical Contractor License issued by the State of California. Because the employee had the license, and it was not required for the position, the employee has been receiving, pursuant to Section 6(H), a monthly incentive of sixty dollars (\$60); and

WHEREAS, on August 17, 2013, said bargaining unit employee referenced above was reclassified to the "Electrician" classification; and

WHEREAS, positions in the "Electrician" classification require the C-10 Electrical Contractor License.

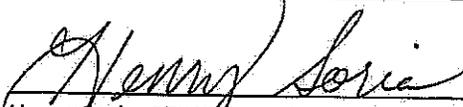

The parties recognize that, because the C-10 Electrical Contractor License is a requirement of positions in the "Electrician" classification, removal of the monthly sixty dollar (\$60) incentive pay would be consistent with Section 6(H) of the MOU. However, in the spirit of goodwill, the City is willing to allow the incumbent to continue to receive the incentive pay retroactive to date employee was reclassified, while serving in the "Electrician" classification.

Both parties agree that upon the termination of the current MOU, this Side Letter Agreement will be incorporated into the Successor MOU.

The City's gesture of goodwill outlined in this Side Letter does not establish a precedent.
